### **Dave Stevens**

We were extremely honoured to present our first annual BC Good Neighbour Award to the family of Dave Stevens. Dave was the Executive Director of Sasamat Outdoor Centre for over 30 years, and was well known in the community as a leader, mentor, colleague, friend and family man. Dave was a special person who made a phenomenal contribution in the community. We thank Dave for creating your legacy as a true Neighbour to the communities and neighbourhoods in which he served.
